

## AvStats– AVIATION STATISTICS

*At x-Spatial, we understand the business value of your data and the business processes you need to support.*

*We have worked with airport operators and owners to develop software solutions for large, complex infrastructures.*

*Our solutions build on open standards and open database access to make sure they work easily with any systems you already have in place.*

AvStats consolidates data from air carriers, aircraft tracking services, as well as commercial and government data providers to provide information describing all aspects of airport activity including aircraft operations, passenger activity, facility & space utilization and mail /cargo volume.

### Features

- Direct access to your latest airport statistics
- Tracks passenger, baggage, cargo and flight information
- Supports multiple data types
- Custom reports easily configured
- Intuitive, adaptable user interface
- Audit trail, change history
- Compatible with all major browsers
- Export data to Excel for additional data manipulation

### Benefits

- Comprehensive and trustworthy airport passenger and flight statistics
- Better decision making
- Easily configured for all your needs
- Enhances and improves data workflows
- Guaranteed data integrity
- Straightforward administration
- Increased productivity

# AvStats- AVIATION STATISTICS

Carrier: Air Lines, Inc. (AL)  
 Service Category: Domestic (United States)  
 Operator: Air Lines, Inc.  
 Year/Month: 2015
